

A decorative border of pink hearts with black outlines and small black bows at the bottom, arranged in a rectangular frame around the text.

VALENTINE EXCHANGE INFO

Valentine's Day items are soon to be on display at stores, so I want to give you this info early. We will exchange valentines with each other. Please have your child bring one valentine for each student. There are 23 children in our class. We will begin to pass these out the week of February 6th. You may send in the cards anytime between Feb 6th and the 13th. Our Valentine party is on Tuesday, February 14.

In support of our wellness policy at school, I ask that you do not send in candy w/ valentines. A simple card will be equally enjoyed!

Some children like to write individual names on each card. There is a class list on the back for your convenience. **If this is NOT something that your child wants to do, please simply have your child sign their name on the cards.** Please help your child decide which way is best for him or her. Some children find delight in choosing and making valentines for friends, others find the task difficult.

Please do not write the names on the cards for your child.

I am sending this information to you early, in case your child would like to write names, and would prefer to do a few at a time. Some children also enjoy making their cards by hand. Looking forward to a fun class activity!

Many Thanks,
Ms. Moote
